1st November 2016

Dear Primary 7 Pupils and Parents

P7 Pupils-Residential Trip-Abernethy Centre Mon 22nd - Fri 26th May 2017

On an annual basis we take our P7 pupils on a residential trip to the Abernethy Outdoor Centre, Inverness-shire. There they have the opportunity to try a range of activities such as archery, abseiling, canoeing, orienteering and team building games. This is all supervised by well qualified instructors. The school returns to the centre each year because of the varied programme of activities on offer, expertise of staff and the high quality of facilities and accommodation. This is an experience not to be missed!

As previously indicated in my October newsletter, pupils and their parents/carers are invited to attend a meeting on **Wednesday 16th November 2016 at 6pm** in the main school hall to find out more details. To help with the organisation of seating could you please return the slip below. Pupils attending Fishermoss Football training at 7pm might like to come in their football kit ready to go!

I am aware that some of you may have worries about financing the trip and some pupils may have concerns about being away from home. Please do come along to hear about the trip as there are often solutions to problems and concerns.

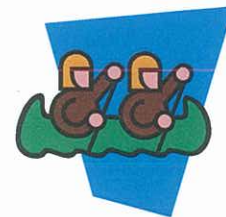

I look forward to seeing both pupils and parents at this meeting. Please note pupils must be accompanied by an adult.

Yours sincerely

Margaret M. Ferguson
