

Hi all,

Some handy information you can pass on to parents about online library services that could prove extremely useful in these uncertain times.

See below the link to the website, and a flavour of the info to be found there.

<https://lifelifeaberdeenshire.org.uk/libraries> Scroll down for more info

Catalogue page will explain about joining on line. Resetting PINs and more

Existing borrowers will need Borrower numbers B***** and a 4 digit PIN number. If they don't have that, then it can be reset in the library catalogue.

There are videos here to explain the normal working, and how to access the digital services.

Find a library

You'll find info about your nearest branch to keep using more of our wonderful services after we come through our current situation

We will be working behind the scenes, so queries can be answered. Contact details are on the website.

Hope this is useful.

Take care
