

Primary 2/3 Term 4 Newsletter

We hope this newsletter finds you and your family well. So far Term 4 has been quite surreal but we are getting to grips with digital learning. Thank you for bearing with us as we find our feet! We really do miss teaching the children face to face and all the fun and engagement that goes with that. We are all going through an unprecedented time and appreciate the stress families face. It can be difficult to juggle everything so be realistic on what is achievable in terms of learning tasks. Some days you might achieve more than others and that is completely fine. That said it is important you engage with some of the tasks you feel your child would benefit from and are interested in and hopefully share some of your child's learning. Even just give us a little hello and let us know what you have been up to. Learning does not solely take place during the tasks set by us, children learn constantly in daily life through play, building, craft, helping with chores, exploring the outdoors, T.V and books etc

Daily learning

Go on the schools GLOW page,
Click on Mrs Bloice / Mrs Storey's page.

There is a discussion page where it sets out the tasks for the day and a folder with all the resources you should need. There is also extra maths worksheets, useful websites and the school closure letter with lots of learning ideas.

Mrs Ferguson also wanted us to remind you about the 'parent' tab on the school website. Select 'Home Learning Links' which contain further learning ideas should you wish.

Mrs Storey will read a story each week on a Monday or Tuesday and upload to the GLOW page.

16 Everyday Activities That Count as Learning

Look for a book UK

1. Cooking & Baking
2. Meal Planning
3. Budgeting
4. Checking the Weather Forecast

8. Doing Puzzles
9. Imaginative Play
10. Listening to Music
11. Reading
12. Coloring, Drawing, Painting
13. Listening to Podcasts or Audiobooks
14. Writing Letters or Emails
15. Taking a Walk
16. Cleaning & Doing Chores

Feedback/ uploading work

Thank you for sending in your photographs of what you have been busy doing it is lovely to see all the children's little faces again.

If you wish to upload photographs of any tasks or work you have completed please save it with name of the task or some parents have waited and popped a few photos on a word document with that weeks dates. Please remember tasks can be completed on any day not specifically on day set and you can upload work as an when it suits. We endeavour to give feedback where possible you will find a folder with your child's name in their completed work folder.

Homework diaries

Your child should have their homework diary home which contains lots of useful tools like tricky word list, timetables, number line, 100 square etc. If you do not have your child's homework diary for any reason please let us know and we can send an electronic version.

If you need any help with GLOW, tasks or just need some advice on anything don't hesitate to get in contact.

Take care and best wish Mrs Storey and Mrs Bloice.
