### Aberdeenshire Parents... Work & Play Expo – work it, play it out together!

Join us for a day of discovering new opportunities to enhance your career, with activities for the whole family.

Parents work it out with sessions featuring inspiring speakers, Q&A's with business leaders, and insights from Aberdeenshire's employability services and Scottish Government representatives.

Meanwhile, let the kids play it out in our pop-up space filled with sports, music, bouncy castles, and more.

It's a unique chance to balance personal growth, with something for the whole family to enjoy.

Mark your calendar for a day of empowerment, learning, and fun at the
